

PRESS RELEASE

Congratulations to our New Partners - Sally Riker and Chris Owens!

Atlanta, GA – January 2008

Lowe Engineers is pleased to announce Sally Riker as one of two New Partners of the firm! Mrs. Riker has a depth of experience in both public and private sectors. Her outstanding capacity to build relationships with new and existing clients has resulted in a company growth of over 100% within the last 3 years! Sally is a graduate of the University of Georgia and is active in several organizations including SAME, ULI, WTS, ASHE, CREW, ACEC, G4BT, SASHTO, and many others.

Lowe Engineers is pleased to announce Chris Owens as one of two New Partners of the firm! Mr. Owens is a registered professional engineer, has over 15 years of experience in the commercial civil/site design field and has managed multiple large and complex land development projects. Mr. Owens oversees all commercial and residential development projects within the organization. He is a Georgia native, a Southern Polytechnic State University graduate and has spent the majority of his career serving private property owners and developers in the land development industry.

Congratulations to Sally and Chris!

About Lowe Engineers:

Lowe Engineers provides comprehensive civil engineering, surveying, mapping and planning services for state and local governments, federal agencies, utility companies, industrial and private sector clients throughout the United States and abroad.
