

PRESS RELEASE

Lowe receives “Hot Firm” Award!

Atlanta, GA – December 2007

Lowe Engineers is proud to be one of the Fastest-Growing Architecture, Engineering, and Environmental firms IN THE NATION! The ranking was awarded by the management consulting and research firm ZweigWhite Information Services. This annual list features 200 top design and environmental firms that have out-performed the economy and competitors to become industry leaders.

Lowe Engineers has experienced a growth of over 100% within the last 3 years! Our growth is a result of outstanding relationships with our clients as well as the dedicated and hard work of the staff at Lowe.

Thank you for your continued business and we look forward to serving you in the future!

- We are wild about our clients! -

About Lowe Engineers:

Lowe Engineers provides comprehensive civil engineering, surveying, mapping, and planning services for state and local governments, federal agencies, utility companies, industrial and private sector clients throughout the United States and abroad.
