

## PRESS RELEASE

### Introducing Lowe's Municipal Engineering Group!

Atlanta, GA – May 2007

We have had many accomplishments over our 50-year history, and we are continuing to grow! Lowe Engineers is expanding our services to the new cities throughout Georgia!

We are introducing **The Municipal Engineering Group**. This new group was created in order to better serve our clients needs. The **Municipal Engineering Group**, as a sub-consultant to CH2M Hill OMI, is serving the Cities of Sandy Springs, Milton, and Johns Creek for several positions. For additional information please contact Sally Riker.

**About Lowe Engineers:**

Lowe Engineers provides comprehensive civil engineering, surveying, mapping, and planning services for state and local governments, federal agencies, utility companies, industrial and private sector clients throughout the United States and abroad.

**For more information please contact:**
